Mobile Donor

by **GRASSROOTS UNWIRED**

Mobile Donations - Purpose Built for NonProfits

Turnkey Solutions for Taking Mobile Donations
ALL Hardware Provided

Accept Pay
And other tap-to-pay options

Use Existing stripe Account
NO new account set-up, no additional transaction fees

Offline Mode
Queue donations to sync when back online

Capture Donor-Specific Data
(Not just card payments)

Flexible Scripting
Allows recurring donations, event registrations, SWAG sales, etc.

DIP

TAP

An *Integrated* Solution Matters.
Square or other "retail-first" options complicate
reconciliation & data management.

Mobile Donor integrates with your donor database
for real-time lookup to view & acknowledge donor's
past history & tie new donations directly to
supporter profiles.
